EQUIPMENT LEASE

THIS EQUIPMENT LEASE dated as of March 1, 1971, among D. E. MUNDELL and BEN MAUSHARDT, not in their individual capacities but solely as Trustees under a Trust Agreement dated as of March 1, 1971 (the "Lessor"), UNITED STATES LEASING INTERNATIONAL, INC., a California corporation, as agent for the Lessor (the "Agent"), and THE CHESAPEAKE AND OHIO RAILWAY COMPANY, a Virginia corporation (the "Lessee");

W I T N E S S E T H:

WHEREAS the Lessor, the Agent and the Lessee have entered into two separate Acquisition Agreements, both dated the date hereof (the "Acquisition Agreements"), with THE CHESSIE CORPORATION and INTERNATIONAL RAMCO, INC. (International Car Co. Division), respectively, (collectively the "Manufacturers" and individually the "Manufacturer") providing for the acquisition by the Lessor of the 100-ton open top hopper cars and the cabooses (collectively the "Equipment" and individually as "Item of Equipment") described in Schedules A-1 and A-2, respectively, attached hereto and made a part hereof under the Conditional Sale Agreement hereinafter referred to; and

WHEREAS the Lessor, the Agent and the Lessee have entered into a Conditional Sale Agreement, dated the date hereof (the "Conditional Sale Agreement"), with the Manufacturers, providing for the manufacture, sale and delivery to the Lessor of the Items of Equipment described in Schedules A-1 and A-2, respectively; and

WHEREAS, by instrument of Agreement and Assignment dated the date hereof, the Manufacturers have assigned their right, title and interest under the Conditional Sale Agreement to Bank of America, N.T. & S.A., as Assignee (the "Assignee"); and

WHEREAS, the Lessee desires to lease all of the Items of Equipment or such lesser number as are delivered to and accepted under the Conditional Sale Agreement on or prior to July 31, 1971, at the rentals and for the terms and upon the conditions hereinafter provided;

2.4. Net Lease. This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent or reduction thereof, including, but not limited to, abatements or reductions due to any present or future claims of the Lessee against the Lessor under this Lease or otherwise or against either Manufacturer or against the Assignee, or against any entity having a beneficial interest in the obligations to be performed under the Conditional Sale Agreement; nor except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss or destruction of all or any of the Equipment from whatsoever cause, the taking or requisitioning of the Equipment by condemnation or otherwise, the lawful prohibition of Lessee's use of the Equipment, the interference with such use by any private person or corporation, the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease, or lack of right, power or authority of the Lessor to enter into this Lease, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events unless the obligation to pay the same shall be terminated pursuant to Section 11 hereof, or until, pursuant to Section 13 hereof, the Equipment is placed and ready for delivery to the Lessor on the Lessee's lines, or is stored for the Lessor on the Lessee's lines or leaves the Lessee's lines for off-line delivery to the Lessor.

SECTION 3. TERM OF THE LEASE.

The term of this Lease as to each Item of Equipment shall begin on the date of the delivery to and acceptance by the Lessee of such Item of Equipment and, subject to the provisions of Section 11 hereof, shall terminate on July 1, 1989 with the privilege of renewal and purchase provided for in Section 20 hereof.

SECTION 4. TITLE TO THE EQUIPMENT.

4.1. Retention of Title. The Lessor is acquiring full legal title to the Equipment as Vendee under the Conditional Sale Agreement and, it is understood that Lessee shall acquire no right, title and interest to the Equipment except hereunder notwithstanding the delivery of the Equipment to and the possession and use thereof by the Lessee.

4.2. Duty to Number and Mark Equipment. The Lessee will cause each Item of Equipment to be kept numbered with its road number as set forth in Schedules A-1 and A-2 and will keep and maintain, plainly, distinctly, permanently and conspicuously marked by a plate or stencil printed in contrasting color upon each side of each Item of Equipment in letters not less than one inch in height as follows:

"Leased through United States Leasing
International, Inc., as Agent for Trustee-Vendee,
and subject to a Security Interest recorded with
the I. C.C."

with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor to such Item of Equipment, its rights under this Lease and the rights of any assignee under Section 16 hereof. The Lessee will not place any such Item of Equipment in operation or exercise any control or dominion over the same until the required legend shall have been so marked on both sides thereof and will replace promptly any such names and word or words which may be removed, defaced or destroyed. The Lessee will not change the road number of any Item of Equipment except with the consent of the Lessor and in accordance with a statement of new road numbers to be substituted therefor, which consent and statement previously shall have been filed with the Lessor by the Lessee and filed, recorded or deposited in all public offices where this Lease shall have been filed, recorded or deposited.

4.3. Prohibition Against Certain Designations. Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Equipment to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by it of the same or a similar type for convenience of identification of the right of the Lessee to use the Equipment under this Lease.

4.4. Indemnification for Improper Marking. The Lessee shall indemnify the Lessor, the Agent, the Trustor under the Trust Agreement, and any assignee under Section 16 hereof against any liability, loss or expense incurred by any of them as a result of the aforesaid marking of the Equipment with such name, initials or insignia.

SECTION 5. DISCLAIMER OF WARRANTIES.

AS BETWEEN LESSOR AND LESSEE, LESSOR LEASES THE EQUIPMENT, AS-IS WITHOUT WARRANTY OR REPRESENTATION EITHER EXPRESS OR IMPLIED, AS TO (A) THE FITNESS OR MERCHANTABILITY OF ANY ITEM OR ITEMS OF EQUIPMENT, (B) THE LESSOR'S TITLE THERETO, (C) THE LESSEE'S RIGHT TO THE QUIET ENJOYMENT THEREOF, OR (D) ANY OTHER MATTER WHATSOEVER, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN THE LESSOR AND THE LESSEE, ARE TO BE BORNE BY THE LESSEE. The Lessor hereby appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce, from time to time, in the name and for the account of the Lessor and the Lessee, as their interests may appear, but in all cases at the sole cost and expense of the Lessee, whatever claims and rights the Lessor may have as owner of the Equipment against any manufacturers or contractors in respect thereof.

SECTION 6. LESSEE'S INDEMNITY.

6.1. Scope of Indemnity. The Lessee shall defend, indemnify and save harmless the Lessor, the Agent and the Trustors

(as defined in Section 21.5 hereof) and their successors and assigns from and against:

(a) any and all loss or damage of or to the Equipment, usual wear and tear excepted, and

(b) any claim, cause of action, damages, liability, cost or expense (including counsel fees and costs in connection therewith) which may be incurred in any manner by or for the account of any of them (i) relating to the Equipment or any part thereof, including without limitation the construction, purchase, delivery, installation, ownership, leasing or return of the Equipment or as a result of the use, maintenance, repair, replacement, operation or the condition thereof (whether defects are latent or discoverable by the Lessor or by the Lessee), (ii) by reason or as the result of any act or omission of the Lessee for itself or as agent or attorney-in-fact for the Lessor hereunder, (iii) as a result of claims for patent infringements, or (iv) as a result of claims for negligence or strict liability in tort.

6.2. Tax Indemnification. In the event that the benefits realized or intended to be realized from the five-year amortization method set forth in Section 184 of the Internal Revenue Code of 1954 as amended by the Tax Reform Act of 1969, or any part thereof, as now in effect, is lost or disallowed with respect to an Item of Equipment because of any default by the Lessee in the terms of this Lease, then the Lessee shall pay to the Lessor or the Trustors as the case may be, as additional rent, a sum which, after deduction of all taxes required to be paid by the Lessor or the Trustors in respect of the receipt thereof under the laws of the United States or any political subdivision thereof, shall compensate the Lessor or the Trustors for the reduction in the return to the Lessor or the Trustors resulting from the Lessor's or the Trustors' not being able to realize the benefits realized or intended to be realized by the amortization method set forth in Section 184 of the Internal Revenue Code of 1954 as amended by the Tax Reform Act of 1969, together with all interest or penalty which may be assessed by the United States government in connection with the loss of such benefits.

6.3. Continuation of Indemnities and Assumptions. The indemnities and assumptions of liability in this Section 6 contained shall continue in full force and effect notwithstanding the termination of this Lease, or the termination of the term hereof in respect of any one or more Items of Equipment, whether by expiration of time, by operation of law or otherwise; provided, however, that such indemnities and assumption of liability shall not apply in respect of any matters referred to in subsection (a) or clause (i) or (ii) or subsection (b) of Section 6.1 hereof, occurring after the termination of this Lease, except for any such matters occurring after the

termination arising in connection with the Lessee's assembling, delivering, storing or transporting of the Equipment as provided in Sections 13 or 15 as the case may be. The foregoing does not guarantee a residual value. The Lessee shall be entitled to control, and shall assume full responsibility for, the defense of such claim or liability.

SECTION 7. RULES, LAWS AND REGULATIONS.

The Lessee agrees to comply with all governmental laws, regulations, requirements and rules (including the rules of the United States Department of Transportation and the current Interchange Rules and supplements thereto of the Mechanical Division, Association of American Railroads) with respect to the use, maintenance and operation of each Item of Equipment subject to this Lease. In case any equipment or appliance is required to be installed on such Item of Equipment in order to comply with such laws, regulations, requirements and rules, the Lessee agrees to make such changes, additions and replacements.

SECTION 8. USE AND MAINTENANCE OF EQUIPMENT.

The Lessee shall use the Equipment only in the manner for which it was designed and intended and so as to subject it only to ordinary wear and tear. The Lessee shall, at its own cost and expense, maintain and keep the Equipment in good order, condition and repair, ordinary wear and tear excepted, suitable for use in interchange. The Lessee shall not modify any Item of Equipment without the written authority and approval of the Lessor which shall not be unreasonably withheld. Any parts installed or replacements made by the Lessee upon any Item of Equipment shall be considered accessions to such Item of Equipment and title thereto shall be immediately vested in the Lessor, without cost or expense to the Lessor.

SECTION 9. LIENS ON THE EQUIPMENT.

The Lessee shall pay or satisfy and discharge any and all claims against, through, or under the Lessee and its successors or assigns which, if unpaid, might constitute or become a lien or a charge upon the Equipment, and any liens or charges which may be levied against or imposed upon any Item of Equipment as a result of the failure of the Lessee to perform or observe any of its covenants or agreements under this Lease, but the Lessee shall not be required to pay or discharge any such claims so long as it shall, in good faith and by appropriate legal proceedings contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of the Lessor to the Equipment. The Lessee's obligations under this Section 9 shall survive termination of the Lease.

SECTION 10. FILING, PAYMENT OF FEES AND TAXES.

10.1. Filing. Prior to the delivery and acceptance of the first Item of Equipment, the Lessee will, at its sole expense, cause this Lease, the Conditional Sale Agreement and the first assignment thereof to be duly filed, recorded or deposited in conformity with Section 20c of the Interstate Commerce Act and in such other places within or without the United States as the Lessor may reasonably request for the protection of its title or the security interest of the Assignee and will furnish the Lessor proof thereof. The Lessee will, from time to time, do and perform any other act and will execute, acknowledge, deliver, file, register and record (and will re-file, re-register, or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor, for the purpose of protecting the Lessor's title to, or the Assignee's security interest in, the Equipment to the satisfaction of the Lessor's or the Assignee's counsel or for the purpose of carrying out the intention of this Lease, and in connection with any such action, will deliver to the Lessor proof of such filings and an opinion of the Lessee's counsel that such action has been properly taken. The Lessee will pay all costs, charges and expenses incident to any such filing, re-filing, recording and re-recording or depositing and re-depositing of any such instruments or incident to the taking of such action.

10.2. Payment of Taxes. The Lessee, or the Lessor at the Lessee's expense, shall report, pay and discharge when due all license and registration fees, assessments, sales, use and property taxes, gross receipts taxes arising out of receipts from use or operation of the Equipment, and other taxes, fees and governmental charges similar or dissimilar to the foregoing (excluding any tax measured by the Lessor's net income and any gross receipts or gross income taxes in substitution for or by way of relief from the payment of taxes measured by such net income, provided that the Lessee agrees to pay that portion of any such tax on or measured by rentals payable hereunder or the net income therefrom which is in direct substitution for, or which relieves the Lessee from, a tax which the Lessee would otherwise be obligated to pay under the terms of this Section), together with any penalties or interest thereon, imposed by any state, federal or local government upon any Item of Equipment and whether or not the same shall be assessed against or in the name of the Lessor, the Agent, the Lessee, or the Trustors; provided, however, that the Lessee shall not be required to pay or discharge any such tax or assessment (i) so long as it shall, in good faith and by appropriate legal proceedings, contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of the Lessor to the Equipment; however, the Lessee shall reimburse the Lessor for any damages or expenses resulting from such failure to pay or discharge, or (ii) as to assessments against or in the name of anyone other than the Lessee, until 20 days after written notice thereof shall have been given to the Lessee.

SECTION 11. PAYMENT FOR CASUALTY OCCURRENCE OR EQUIPMENT
UNSERVICEABLE FOR USE.

11.1. Duty of Lessee to Notify Lessor. In the event that any Item of Equipment shall be or become lost, stolen, destroyed, or, in the opinion of the Lessee, irreparably damaged, obsolete or economically unserviceable for use from any cause whatsoever, or shall be requisitioned or taken over by any governmental authority under the power of eminent domain or otherwise during the term of this Lease (any such occurrence, except for any requisition which by its terms does not exceed the period ending on the last Rental Payment Date under Section 2.2 hereof, being hereinafter called a Casualty Occurrence), the Lessee shall promptly and fully (after it has knowledge of such Casualty Occurrence) inform the Lessor in regard thereto.

11.2. Sum Payable for Casualty Loss. When the aggregate Casualty Value (as herein defined) of Items of Equipment having suffered a Casualty Occurrence (exclusive of Items of Equipment having suffered a Casualty Occurrence with respect to which a payment shall have been made to the Lessor pursuant to this Section 11) shall exceed \$100,000, the Lessee, on the next succeeding Rental Payment Date, shall pay to the Lessor a sum equal to the Casualty Value of such Item or Items of Equipment as of the date of such payment; provided that notwithstanding the foregoing the Lessee shall on the last Rental Payment Date of each calendar year pay to the Lessor a sum equal to the Casualty Value of any Item or Items of Equipment which have suffered a casualty occurrence during such calendar year or any prior year for which no payment has previously been made to the Lessor pursuant to this Section 11.2.

11.3. Rent Termination. Upon (and not until) payment of the Casualty Value in respect of any Item or Items of Equipment, the obligation to pay rent for such Item or Items of Equipment (including the Fixed Rental installment due on the Casualty Value payment date) shall terminate, but the Lessee shall continue to pay rent for all other Items of Equipment. The Lessee shall pay when due all Fixed Rental payments as to an Item or Items due prior to the date on which the Casualty Value thereof is payable.

11.4. Disposition of Equipment. The Lessee shall, as agent for the Lessor, dispose of such Item or Items of Equipment as soon as it is able to do so for the best price obtainable. Any such disposition shall be on an "as is", "where is" basis without representation or warranty, express or implied. As to each separate Item of Equipment so disposed of the Lessee may retain all amounts of such price plus any insurance proceeds and damages received by

the Lessee by reason of such Casualty Occurrence up to the Casualty Value attributable thereto and shall remit the excess, if any, to the Lessor. In disposing of such Item or Items of Equipment, the Lessee shall take such action as the Lessor shall reasonably request to terminate any contingent liability which the Lessor might have arising after such disposition from or connected with such Item or Items of Equipment.

11.5. Casualty Value. The Casualty Value of each Item of Equipment shall be an amount determined as of the date the Casualty Value is paid as provided in this Section 11 (and not the date of the Casualty Occurrence) equal to that percentage of the original cost to the Lessor of such Item of Equipment set forth in the Schedule of Casualty Value attached hereto as Schedule C opposite such date of payment.

11.6. Risk of Loss. The Lessee shall bear the risk of and, except as hereinabove in this Section 11 provided, shall not be released from its obligations hereunder in the event of any Casualty Occurrence to any Item of Equipment from and after the date hereof and continuing until payment of the Casualty Value in respect of such Item of Equipment has been made, such Item or the salvage thereof has been disposed of by the Lessee and the title to such Item or the salvage thereof and all risk of loss and liabilities incident to ownership have been transferred to the purchaser of such Item or the salvage thereof.

11.7. Eminent Domain. In the event that during the term of this Lease the use of any Item of Equipment is requisitioned or taken by any governmental authority under the power of eminent domain or otherwise for a period which does not exceed the period ending on the last Rental Payment Date under Section 2.2 hereof, the Lessee's duty to pay rent shall continue for the duration of such requisitioning or taking. The Lessee shall be entitled to receive and retain for its own account all sums payable for any such period by such governmental authority as compensation for requisition or taking of possession to an amount equal to the rent paid or payable hereunder for such period, and the balance, if any, shall be payable to and retained by the Lessor as its sole property.

SECTION 12. ANNUAL REPORTS.

12.1. Duty of Lessee to Furnish. On or before November 1 in each year, commencing with the year 1972, the Lessee will furnish to the Lessor or its assigns an accurate statement, as of the preceding June 30 (a) showing the amount, description and numbers of the Items of Equipment then leased hereunder, the amount, description and numbers of all Items of Equipment that may have suffered

a Casualty Occurrence during the preceding 12 months (or since the date of this Lease, in the case of the first such statement), and such other information regarding the condition or repair of the Equipment as Lessor may reasonably request, and (b) stating that, in the case of all Equipment repainted during the period covered by such statement, the markings required by Section 4.2 hereof shall have been preserved or replaced.

12.2. Lessor's Inspection Rights. The Lessor and the Assignee each shall have the right, at its sole cost and expense, by its authorized representative, to inspect the Equipment and the Lessee's records with respect thereto, at such times as shall be reasonably necessary to confirm to the Lessor or, as the case may be, the Assignee the existence and proper maintenance thereof during the continuance of this Lease.

SECTION 13. RETURN OF EQUIPMENT UPON EXPIRATION OF TERM.

Upon the expiration of the term of this Lease with respect to any Item of Equipment, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Item of Equipment to the Lessor upon such storage tracks of the Lessee as the Lessor may designate, or in the absence of such designation, as the Lessee may select, and permit the Lessor to store such Item of Equipment on such tracks for a period not exceeding 90 days and transport the same at any time within such 90 days period to any reasonable place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as directed by the Lessor upon not less than 30 days' written notice to the Lessee. All movement and storage of each such Item is to be at the risk and expense of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Item, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee to so assemble, deliver, store and transport the Equipment.

SECTION 14. DEFAULT.

14.1. Events of Default. Any of the following events shall constitute an Event of Default hereunder:

14.2. If any Event of Default has occurred and is continuing, the Lessor, at its option, may:

(a) Proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) By notice in writing to the Lessee, terminate this Lease, whereupon all right of the Lessee to the use of the Equipment shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon, the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Equipment may be located and take possession of all or any of such Equipment and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Equipment for any purpose whatever, but the Lessor, shall, nevertheless, have a right to recover from the Lessee any and all amounts which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by a fraction of which the numerator is such accrued number of days in such full rental period and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Item of Equipment, which represents the excess of the present worth, at the time of such termination, of all rentals for such Item which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease over the then present worth of the then fair rental value of such Item for such period computed by discounting from the end of such term to the date of such termination rentals which the Lessor reasonably estimates to be obtainable for the use of the Item during such period, such present worth to be computed in each case on a basis of a 5.5% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, and (ii) any damages and expenses including reasonable attorney's fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease, other than for the payment of rental.

14.3. Cumulative Remedies. The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies

in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify any of the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims of any right to assert any off-set against the rent payments due hereunder, and agrees to make the rent payments regardless of any off-set or claim which may be asserted by the Lessee on its behalf in connection with the lease of the Equipment.

14.4. Lessor's Failure to Exercise Rights. The failure of the Lessor to exercise the rights granted it hereunder upon any occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

14.5. Termination by Assignee of Conditional Sale Agreement. Anything in this Lease to the contrary notwithstanding, if the Assignee of the Conditional Sale Agreement shall, upon the occurrence of an Event of Default as defined therein, state in a written notice to the Lessor and Lessee that this Lease terminates, this Lease shall, immediately upon receipt by Lessee of such notice, terminate as to all the Items of Equipment and the rights of the Lessee hereunder shall at all times and in all respects be subject and subordinate to the rights and remedies of the Assignee under the Conditional Sale Agreement.

SECTION 15. RETURN OF EQUIPMENT UPON DEFAULT.

15.1. Lessee's Duty to Return. If the Lessor or the Assignee shall terminate this Lease pursuant to Section 14 hereof, the Lessee shall forthwith deliver possession of the Equipment to the Lessor. For the purpose of delivering possession of any Item of Equipment to the Lessor as above required, the Lessee shall at its own cost, expense and risk (except as hereinafter stated):

(a) Forthwith place such Equipment in such reasonable storage place on the Lessee's lines of railroad as the Lessor may designate or, in the absence of such designation, as the Lessee may select;

(b) Permit the Lessor to store such Equipment in such reasonable storage place on the Lessee's lines of railroad for a period not exceeding 180 days at the risk of the Lessee; and

(c) Transport the Equipment, at any time within such 180 days' period, to any place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as the Lessor may reasonably direct upon not less than 30 days' written notice to the Lessee.

15.2. Specific Performance. The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Equipment.

15.3. Lessor Appointed Lessee's Agent. Without in any way limiting the obligations of the Lessee under the foregoing provisions of this Section 15, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Items of Equipment to Lessor, to demand and take possession of such Item in the name and on behalf of Lessee from whosoever shall be at the time in possession of such Item.

SECTION 16. ASSIGNMENTS BY LESSOR.

This Lease shall be assignable in whole or in part by Lessor without the consent of Lessee, but Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. In the event that separate assignments are executed by the Lessor in respect of this Lease and the rental and other sums due and to become due hereunder, insofar as the same relate to Items of Equipment described in separate Schedules hereto the Lessor and the Lessee agree that so long as such separate assignments remain in force and effect this Lease shall be deemed to be and shall be construed as a divisible and severable contract between the Lessor and the Lessee for the leasing of Equipment covered by each such separate assignment, all to the same extent and with the same force and effect as though a separate lease had been entered into by the Lessor and the Lessee in respect of such Equipment. Upon notice to the Lessee of any such assignment the rent and other sums payable by the Lessee which are the subject matter of the assignment shall be paid to the assignee. Without limiting the foregoing, the Lessee further acknowledges and agrees that (i) the rights of any such assignee in and to the sums payable by the Lessee under any provisions of this Lease shall not be subject to any abatement whatsoever, and shall not be subject to any defense, set-off, counterclaim or recoupment whatsoever whether by reason of or defect in Lessor's title, or any interruption from whatsoever cause (other than from a wrongful act of the assignee) in the use, operation or possession of the Equipment or any part thereof, or any damage to or loss or destruction of the Equipment or any part thereof, or by reason of any other indebtedness or liability, howsoever and whenever arising, of the Lessor to the Lessee or to any

other person, firm or corporation or to any governmental authority or for any cause whatsoever, it being the intent hereof that, except in the event of a wrongful act on the part of the assignee, the Lessee shall be unconditionally and absolutely obligated to pay the assignee all of the rents and other sums which are the subject matter of the assignment, and (ii) the assignee shall have the sole right to exercise all rights, privileges and remedies (either in its own name or in the name of the Lessor for the use and benefit of the assignee) which by the terms of this Lease are permitted or provided to be exercised by the Lessor.

SECTION 17. ASSIGNMENTS BY LESSEE; USE AND POSSESSION.

17.1. Lessee's Rights to the Equipment. So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession and use of the Equipment in accordance with the terms of this Lease, but, without the prior written consent of the Lessor, the Lessee shall not assign, transfer or encumber its leasehold interest under this Lease in any of the Equipment. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Equipment, except to the extent permitted by the provisions of Section 17.2 hereof.

17.2. Use and Possession on Lines Other Than Lessee's Own. So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession of the Equipment and to the use thereof upon the lines of railroad owned or operated by it (either alone or jointly) or by any corporation a majority of whose voting stock (i.e., having ordinary voting power for the election of a majority of its Board of Directors) is owned directly or indirectly by the Lessee, or upon lines of railroad over which the Lessee or such corporation has trackage or other operating rights or over which Equipment of the Lessee is regularly operated pursuant to contract and also to permit the use of the Equipment upon connecting and other railroads in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease. The Lessee may receive and retain compensation for such use from other railroads so using any of the Items. No assignment, sublease or interchange entered into by the Lessee hereunder shall relieve the Lessee of any liability or obligations hereunder which shall be and remain those of a principal and not a surety.

17.3. Merger, Consolidation or Acquisition of Lessee. Nothing in this Section 17 shall be deemed to restrict the right of Lessee to assign or transfer its leasehold interest under this Lease in the Equipment or possession of the Equipment to any corporation (which shall have duly assumed the obligations hereunder

of Lessee) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of Lessee as an entirety or substantially as an entirety.

SECTION 18. OPINION OF LESSEE'S COUNSEL.

Concurrently with the delivery and acceptance of the first Item of Equipment hereunder, the Lessee will deliver to the Lessor five counterparts of the written opinion of counsel for the Lessee addressed to the Lessor, the Agent and to the Assignee, in scope and substance satisfactory to the Lessor, to the effect that:

(a) The Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of the State of Virginia;

(b) The Lessee has the corporate or other power and authority to own its property and carry on its business as now being conducted and is duly qualified to do business as a foreign corporation in all states in which such qualification is necessary to carry out the terms of the Lease;

(c) This Lease and the Acquisition Agreements of even date herewith among the Lessor, the Agent, the Lessee and the Manufacturers have been duly authorized, executed and delivered by the Lessee and constitute the valid, legal and binding agreements of the Lessee enforceable in accordance with their respective terms;

(d) This Lease has been filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and no other filing, recording or depositing is necessary to protect the Lessor's title to the Equipment in the United States of America;

(e) No approval, consent or withholding of objection is required from any public regulatory body with respect to the entering into or performance by the Lessee of the Acquisition Agreements or this Lease;

(f) The execution and delivery by the Lessee of the Acquisition Agreements and this Lease do not violate any provision of any law, any order of any court or governmental agency, the Charter or By-laws of the Lessee, or any indenture, agreement, or other instrument to which the Lessee is a party or by which it, or any of its property is bound, and will not be in conflict with, result in the breach of,

or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement, or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Lessee, except as contemplated and permitted hereby; and

(g) As to any other matter which the Lessor shall reasonably request.

SECTION 19. INTEREST ON OVERDUE RENTALS AND AMOUNTS PAID BY LESSOR.

Anything to the contrary herein contained notwithstanding, any nonpayment of rentals due hereunder, or amounts expended by the Lessor on behalf of the Lessee, shall result in the obligation on the part of the Lessee to pay also an amount equal to 9-1/2% (or the lawful rate, whichever is less) of the overdue rentals and amounts expended for the period of time during which they are overdue or expended and not repaid.

SECTION 20. OPTIONS TO PURCHASE AND TO RENEW.

20.1. Option to Purchase. Provided that the Lessee is not in default, Lessee shall have the following option to purchase:

(a) The Lessee shall have the right to purchase all but not less than all of the Equipment then leased hereunder at the expiration of the original term or any renewal term at a price equal to the "fair market value" (as defined). The Lessee shall give the Lessor written notice 180 days prior to the end of the original term or the then current renewal term of its election to exercise the purchase option provided for in this Section. Payment of the option price shall be made at the place of payment specified in Section 2 hereof in funds there current against delivery of a bill of sale transferring and assigning to the Lessee all right, title and interest of the Lessor in and to the Equipment and containing a warranty against liens or claims of persons claiming by, through or under the Lessor except liens and claims which the Lessee assumed or is obligated to discharge under the terms of the Lease. The Lessor shall not be required to make any representation or warranty as to the condition of the Equipment or any other matters.

(b) The "fair market value" shall be an amount mutually agreed upon by the Lessor and the Lessee; provided that if the Lessor and the Lessee are unable to agree upon the fair market value of the Equipment within 30 days after

or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement, or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Lessee, except as contemplated and permitted hereby; and

(g) As to any other matter which the Lessor shall reasonably request.

SECTION 19. INTEREST ON OVERDUE RENTALS AND AMOUNTS PAID BY LESSOR.

Anything to the contrary herein contained notwithstanding, any nonpayment of rentals due hereunder, or amounts expended by the Lessor on behalf of the Lessee, shall result in the obligation on the part of the Lessee to pay also an amount equal to 9-1/2% (or the lawful rate, whichever is less) of the overdue rentals and amounts expended for the period of time during which they are overdue or expended and not repaid.

SECTION 20. OPTIONS TO PURCHASE AND TO RENEW.

20.1. Option to Purchase. Provided that the Lessee is not in default, Lessee shall have the following option to purchase:

(a) The Lessee shall have the right to purchase all but not less than all of the Equipment then leased hereunder at the expiration of the original term or any renewal term at a price equal to the "fair market value" (as defined). The Lessee shall give the Lessor written notice 180 days prior to the end of the original term or the then current renewal term of its election to exercise the purchase option provided for in this Section. Payment of the option price shall be made at the place of payment specified in Section 2 hereof in funds there current against delivery of a bill of sale transferring and assigning to the Lessee all right, title and interest of the Lessor in and to the Equipment and containing a warranty against liens or claims of persons claiming by, through or under the Lessor except liens and claims which the Lessee assumed or is obligated to discharge under the terms of the Lease. The Lessor shall not be required to make any representation or warranty as to the condition of the Equipment or any other matters.

(b) The "fair market value" shall be an amount mutually agreed upon by the Lessor and the Lessee; provided that if the Lessor and the Lessee are unable to agree upon the fair market value of the Equipment within 30 days after

receipt by the Lessor of the notice of the Lessee's election to exercise the purchase option, the fair market value shall be determined by an appraiser selected by mutual agreement of the Lessor and the Lessee. If the Lessor and the Lessee are not able to agree upon an appraiser, or if the fair market value is not so determined within 90 days after receipt by the Lessor of the Lessee's election to purchase, the same shall be determined by American Appraisal Company. The fair market value as finally determined shall bear interest for the period, if any, from the date of expiration of this Lease to the date of payment at the rate of 8 1/2% per annum. Upon determination of the fair market value as aforesaid, the Lessee may at its option withdraw and rescind its election to purchase without further liability to the Lessor.

(c) Unless the Lessee has given the Lessor 180 days notice as required in connection with exercise of the foregoing option, all the Equipment then leased hereunder shall be returned to the Lessor in accordance with Section 13 hereof.

Notwithstanding any election of the Lessee to purchase, the provisions of Section 11 hereof shall continue in full force and effect until the date of purchase and the passage of ownership of the Equipment purchased by the Lessee upon the date of purchase unless the purchase price has been agreed upon by the parties pursuant to this Section 20.1, in which event such purchase price shall govern.

20.2. Option to Renew. Provided that the Lessee is not in default, the Lessee shall have the option to renew and extend this Lease as to all, but not less than all, the Equipment for two consecutive renewal terms, the first of which shall be for a period of four years and the second of which shall be for a period of three years, upon and subject to all the terms and conditions herein contained for the original term of this Lease, except only that the semiannual fixed rental during each such renewal term respectively shall be the amount set forth in Schedules A-1 and A-2 payable semi-annually in advance during each such renewal term. Each such renewal term shall commence immediately upon the expiration of the preceding term. The Lessee shall give the Lessor written notice 180 days prior to the end of the original term or the then current renewal term of its desire to exercise any renewal option provided for by this Section 20.2.

21.3. Law Governing. This Lease shall be construed in accordance with the laws of California; provided, however, that the parties shall be entitled to all rights conferred by any applicable federal statute, rule or regulation.

21.4. Concerning the Lessor and the Agent. E. Mundell and Ben Maushardt are nevertheless each and every one of them made and intended not as personal representations, covenants and undertakings and agreements of them or for the purpose or with the intention of binding them personally, but are made and intended for the purpose of binding only the Trust as that term is used in the Trust Agreement; such Trust is the Lessor hereunder, and this Lease is executed and delivered by D. E. Mundell and Ben Maushardt not in their own right but solely in the exercise of the powers conferred upon them as such Trustees; and no personal liability or personal responsibility is assumed by nor shall at any time be asserted or enforceable against such persons or the Agent on account of this Lease or on account of any representation, covenant, undertaking or agreement of such persons or the Agent in this Lease contained, either expressed or implied, all such personal liability,

if any, being expressly waived and released by the Lessee herein and by all persons claiming by, through or under the Lessee; excepting, however, that the Lessee or any person claiming by, through or under it, making claim hereunder, may look to said Trust for satisfaction of the same.
